

## HUNGARY - REGIONAL COMPETENCY CENTER AND INDUSTRY HUB

### FROM GOOD TO GREAT

bpv JÁDI NÉMETH hereby cordially invites you to an exclusive panel discussion followed by a cocktail reception

**Stakeholders from German leading industries** – automotive and engineering companies contribute significantly to the **development of our national economic development**. This favorable evolution is not only due to the country's high standard education system, central location, strategic and innovative mindset but also to certain areas of the domestic legislation. **But how can we move forward?** What can Hungary do to become a regional competency center and industry hub for German companies? How can we make the leap from good to great? These are the questions we will aim to answer with the help of our legal experts and highly esteemed members of the panel discussion:

#### **Peter Inzenhofer**

Vice-President at **German-Hungarian Chamber of Industry and Commerce**; Managing Director at **Hirschmann Car Communication**

#### **Ágnes Fábíán**

Managing Director and President at **Henkel Hungary**

#### **Javier González Pareja**

General Manager at **Robert Bosch Kft.**

#### **Gergely Pröhle**

Deputy State Secretary for International and EU Affairs of the **Ministry of Human Capacities**

**Moderator:** [Dr Marc-Tell Madl](#), Head of German Desk at bpv JÁDI NÉMETH Attorneys at Law

**Date:** 4 March 2015 (Wednesday) 18:00-20:00

**Location:** Andrásy University, Mirror Hall, H-1088 Budapest, Pollack Mihály tér 3.
